BIOGRAPHY

"Raw, unfiltered songs about heartbreak, family, and the road home."

Jimmy Clepper is a singer-songwriter from a small town outside Cincinnati, Ohio, known for being the frontman and songwriter behind the indie rock band **See You In The Funnies**. He fits right in the Americana genre, weaving raw, emotional soundscapes that confront the corners of life.

His music explores themes of heartbreak, death, love, and nostalgia, often touching on the complexities of family dynamics and personal struggle. With unflinching honesty, Jimmy crafts a unique voice that's both deeply personal and universally relatable.
